SA Results at The Nationals in Perth

Last Saturday, our SA representatives for the National Sprint & Distance Championships performed at the 2009 Nationals, held in Cannington, Perth.

Aunty Vick - She was never a winning chance after being well back in the run; however she did a good job to run home into fourth spot at the finish running past Velocette in doing so.

Tafari Bale - Never looked comfortable on the Cannington circuit and after getting to third early, he finished well back.

To all the trainers, owners, handlers and connections, thank you for travelling all the way to Perth to represent out state.
