### Additional Sunday Race meetings

As advised in a media release and in Kennel Capers last week, GRSA has negotiated additional Sky Racing coverage as part of the new Sky service beginning at the end of the month. GRSA is currently working on the future dates and where they will be placed. However in the short term we have made changes to the calendar between April & June to begin the Sunday night timeslot immediately. This has meant some additional dates or change of status and transfer of meetings. The Strathalbyn “radio only” TAB fixtures will remain, but their non-TAB meetings have been transferred to Gawler. One Port Augusta meeting has been transferred to Port Pirie. GRSA thanks both of these Clubs for their support of this opportunity for the industry to grow market share leading up to June 30<sup>th</sup>.

There are currently 4 twilight fixtures already programmed through this period. These will remain as twilights. All other meetings will be Sunday nights; starting times are going to vary, but Sky advises that they will be between 5.30 to 6.30pm. Finishes are likely to vary between 9.00pm and 10.00pm.
