NO RACE GAWLER

Race 4 at Gawler on 14th October 2009 was declared a NO RACE due to the greyhounds catching the lure at the first turn.

The lure was tested and the decision was made to change the carriage which was then tested to ensure that the lure was operating correctly and safely.

All races were put back one race with the exception of race 11 which was timed to run at 3.25pm.
