ROAD WORKS ON SOUTH ROAD THIS SATURDAY

Greyhound Racing SA has been informed by the Department of Transport that they intend conducting some road works on South Road between Grand Junction – Days Road & possibly Regency Road on Saturday 5 June 2010 & the following Saturday 12 June 2010 from 7am.

While it is mostly to slow South bound traffic (possibly down to 1 lane), we have been advised it should not affect turning into Angle Road.

Please note that the road works may delay traffic flow.
