BODY PAINTING MOVE OVER **ENTER GREYHOUND PAINTING FOR** **A SOUTH AUSTRALIAN FIRST**

The Greyhounds are getting into the spirit of the Fringe along with the Greyhound Hunnies and are being body painted for the very first time in Rundle Mall this Friday 4th March adjacent to the Silver Balls from 11.00am to 2.00pm

Four greyhounds are being body painted into the Greyhound Racing colours to match the Greyhound Hunnies.

This is the first time that renowned body artist Toni Smallman and Wendy Fantasia have painted a four legged friend!

Unlike the other racing codes, Greyhound Racing has its own 8 unique colours and 2 reserve colours. Greyhounds are very placid, friendly animals so people in the mall can come and pat them and see them up close and personal. Let's hope they stay still to get painted!

The Hunnies will be giving out some freebies in the mall, like Sweet Hunnie Gifts which are free passes to Angle Park. The Hunnies recently completed the Hunnie in Bikinis Calendar for 2010 and they will also be giving some of these away!

The body art paint that will be applied to both the Hunnies and Greyhounds is Tim Gratton's Face and Body Paint and is a professional-grade high quality cosmetic paint that conforms to Australian and CE cosmetic regulations and Australian Standard 1647.3. It is in no way harmful in any way to either the Hunnies or the Greyhounds.

About Toni Anne Smallman & Wendy Fantasia
