

MEDIA RELEASE

Tuesday 27th July 2010

Attention Owner/Trainers,

Electronic payments of prizemoney are normally made by GRSA every Wednesday after the completion of the Angle Park race meeting.

However with the later finish to Wednesday meetings, the cut off each week will now be made after the completion of the Tuesday race meeting.

Payments will continue to be made on Wednesday's.

By making this change it will enable the Finance Department more time to finalise prizemoney and other payments rather than being delayed by the later finish now occurring with the Angle Park Wednesday meeting.

Implementation of this change will take effect from Wednesday 4th August 2010.
