PORT AUGUSTA CANCELLED

The Port Augusta meeting set down for Saturday 17th December 2011 has been cancelled due to a lack of nominations.

Nominations for this meeting had been extended until 9.00am this morning and at the close of nominations there were 36 eligible greyhounds. This number is insufficient to conduct a meeting at Port Augusta under conditions determined by the GRSA Board, therefore, after liaising with the Club the meeting was cancelled.

Port Augusta's next meeting is scheduled for Sunday 15th January 2012 where the club will look at increasing stake money on offer for this meeting.
