PORT PIRIE SUNDAY CANCELLED DUE TO HEAT

Owners & Trainers should please note that the Port Pirie (TAB) meeting set down for this Sunday (10th January) has been cancelled due to the continuing extreme heat conditions forecast for the area over the weekend. The forecast temperature for Port Pirie on Sunday is 41 degrees; while both Port Augusta and Whyalla are expecting 42 degrees.

In making the decision, the distance that many trainers needed to travel in the heat of the day and the extra time away from their kennels was a major consideration.

The meeting will be abandoned.
